We really need a puppy at our house. I promise that I will take care of it by taking it for walks and feeding it. I would play with it and it could sleep in my room. Since I don't have a brother or a sister, I think you should buy me a puppy. Sometimes I get lonely and a puppy would keep me company. If you get me a puppy, I will never ask for anything again.

On July 16, 1969, Apollo 11 blasted off from Florida with three astronauts from the United States. His famous words "one small step for man, one giant leap for mankind" will be forever remembered.

Just the thought of apple pie makes my heart skip a beat. When I see its brown flaky crust, I begin to drool in anticipation. The smell of baked apples and cinnamon is one of the most comforting scents in the world. When I sink my teeth into a slice of warm apple pie, all my troubles melt away. The sweet, soothing taste is a treat for my taste buds. I would eat a piece of apple pie every day if I could.

Now you are ready to enjoy your peanut butter and jelly sandwich.

"That's me!" cried a small five-year-old. "Will you make me a balloon sword?"
