

8/30/16

During summer me my brother and mom went to indiana beach and we rode all the rides we orode roller coasters and the swings and more fun things when the fireworks went off we were playing racing games shooting games and claw machines.

On another day of summer me and my dad went to the fair oaks and we played games got food drinks and we also went on rides after we did all the other stuff we went to the motor cross where mostly me and my brother race and billy my brother was racing in it because it was his turn to race.

8/31/16

Tonight me my dad and my brother are going to the races so my dad can race his dirt racer late model. Me and my brother billy are gonna have to work hard tonight. While we are at it we will get really hungry.

When my dad has to play in his band I have to go with him to help with the sound. the drums and microphone the bass and the guitar. When I'm with my dad billy my brother he will stay at my cousins house my cousins name is jessie venturra and my brothers name is billy joel.

Punctuation Checklist -

- Did I end each thought with a period, question mark, or exclamation point?
- Did I capitalize proper nouns?
- Did I capitalize the beginning letter of each sentence?
- Did I use commas in a series of three items, to show a pause in the writing, or in a compound sentence?
- Did I use an apostrophe to show possession or the plural form of a word?
