

3.1 The Thirteen Colonies

DIRECTIONS

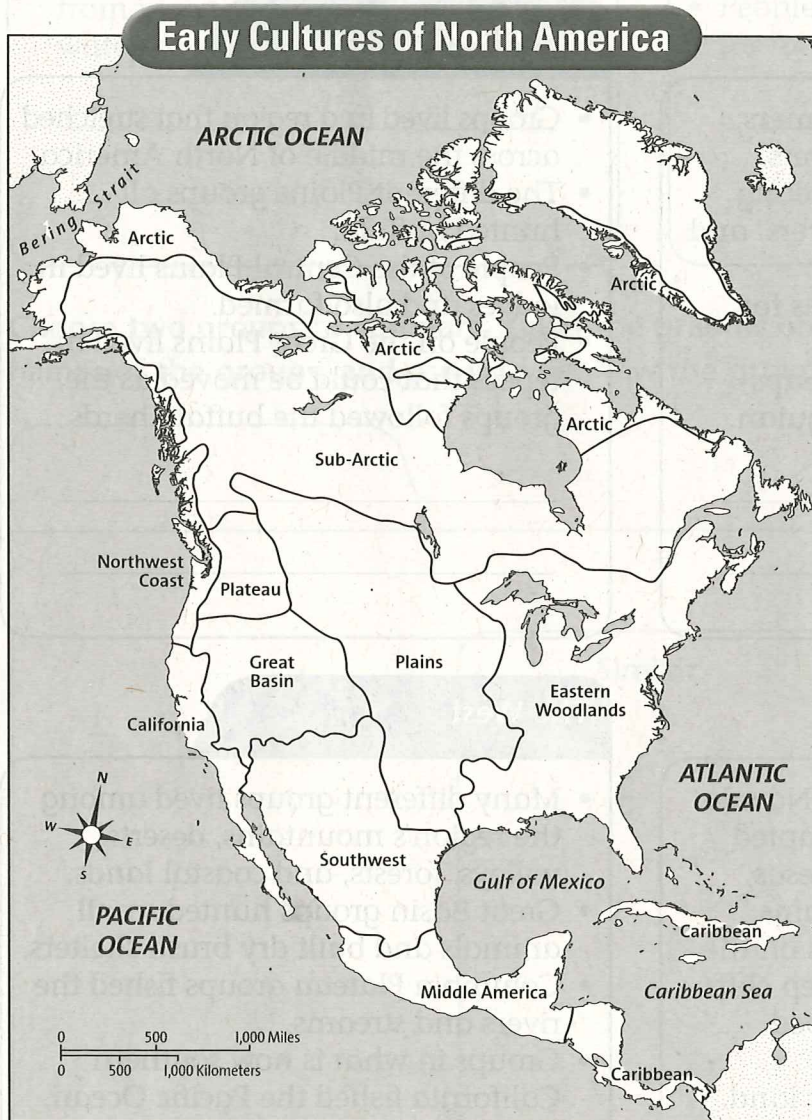

Label the map with the names of the British colonies, including Maine and Vermont.

1.6 Historic Indian Groups

DIRECTIONS

The map below shows historic Native American cultural regions in North America. Color each region on the map a different color, and fill in the color in the correct square. Then use the map on page 61 of your textbook to find the name of one Native American group in each region. List the name in the space under each region in the legend.
