

We, the fifth graders of Van Rensselaer Elementary School, would like for the Rensselaer School Corporation to provide a better lunch. A better lunch would include more time to eat our food, a selection of food that includes many choices, more servings, and the option to choose where to sit. We feel this is a reasonable list that should be considered.

What if the school board doesn't respond to our petition, what could you do next?

Option 1: _____

Option 2: _____

Option 3: _____

Option 4: _____

Option 5: _____

Option 6: _____

Option 7: _____
