

A Poison Tree

Inspired By: William Blake

I was angry with my friend;
I told my wrath, and my wrath did end.

I was angry with my foe;
And I told him not, and my wrath did grow,

I watered it in fears,
Night & morning with my tears,
And I sunned it with forced smiles,
And with soft deceitful thoughts,

It grew both day and night
Till it bore an apple bright,
I offered the apple to those around,
And with one bite, they too became bound,

What do you think this poem means?

What emotion is the writer describing?

You'll Be Mine

Hello, my name is Drugs,
I'm sure you know of me,
But, if you try me,
Be warned, for this is no game

If given the chance, I'll drive you crazy,
I'll control your mind,
And, you'll be completely mine,

If you try to break free,
Nightmares start that will never flee,
Your head will be full of voices from me,
"Forget the shakes, and the sweats,"
"Just come back and it will be alright,"

You'll regret that you tried me, they always do...
But you came to me, and not I to you,

You knew this would happen,
You were warned many times,
But you challenged my power,
And chose to be bold,

Now, I'm your master,
And my hold is tight
