

Question 4: Geography

4. Look at the drawings of Native American Indian shelters below.

Lakota Shelter in the Plains Region

Makah Shelter in the Northwest Region

Native American Indians depended on their environment for shelter and food.

What does the type of shelter used by the Lakota indicate about their environment?

Describe ONE way the Lakota obtained their food.

What does the type of shelter used by the Makah indicate about their environment?

Describe ONE way the Makah obtained their food.
