

Time Transitions		
Shortly after that	Meanwhile	Soon
Along the way	Before long	Earlier
After all of that	Later on	Eventually
An hour later	Without delay	Immediately
At that very moment	At last	Next
Later that same day	During all of this	As soon as
Not a moment too soon	While this was happening	

Rules

- Your Reader must know when you are switching to a new time. Make it clear.
- Using (time) transition words makes your writing flow.

Examples:

Not so good -

Marty saw the puppy, he recognized it, and he picked it up.

Better -

First, Marty saw the puppy. Then he recognized it and after that, he picked it up.

Best -

As soon as Marty saw the puppy, he recognized it and immediately picked it up.
