

_____ 's Weather Report

For each day you are away from school, write a weather report.

Day 1	<p>Is there any precipitation? (rain / sleet / snow / hail)</p> <p>Is it cloudy or sunny? (If it is cloudy, draw the shape of clouds!)</p> <p>What is the temperature today?</p> <p>What else do you notice about today's weather?</p>
Day 2	<p>Is there any precipitation? (rain / sleet / snow / hail)</p> <p>Is it cloudy or sunny? (If it is cloudy, draw the shape of clouds!)</p> <p>What is the temperature today?</p> <p>What else do you notice about today's weather?</p>
Day 3	<p>Is there any precipitation? (rain / sleet / snow / hail)</p> <p>Is it cloudy or sunny? (If it is cloudy, draw the shape of clouds!)</p> <p>What is the temperature today?</p>

Day 3 continued	What else do you notice about today's weather?
Day 4	Is there any precipitation? (rain / sleet / snow / hail) Is it cloudy or sunny? (If it is cloudy, draw the shape of clouds!) What is the temperature today? What else do you notice about today's weather?
Day 5	Is there any precipitation? (rain / sleet / snow / hail) Is it cloudy or sunny? (If it is cloudy, draw the shape of clouds!) What is the temperature today? What else do you notice about today's weather?
